Ten Good Reasons To Attend Summer School At ASU

- Comprehensive Offerings
- Classes taught by regular full-time ASU faculty
- Small classes
- Reasonable costs
- Cool, refreshing climate
- Friendly atmosphere
- Beautiful campus
- Outstanding facilities
- Cultural events
- Recreational opportunities

Appalachian State University is committed to equality of educational opportunity and does not discriminate against applicants, students or employees based on race, color, national origin, religion, sex, age or handicap. Moreover, Appalachian State University is open to people of all races and actively seeks to promote racial integration by recruiting and enrolling a larger number of black students.

General Information

The University

A 930019
Summer School Office
February 3, 1993

Appalachian State University, founded in 1899 as Watauga Academy, is located in Boone, North Carolina, in the heart of the Blue Ridge of the Appalachian mountains, close to the borders of Virginia and Tennessee and less than two hours from the region's major airports and population centers.

Growing steadily through its transformations as Appalachian State Normal School in 1925 to Appalachian State Teachers' College in 1929 to Appalachian State University in 1967 and a part of the consolidated University of North Carolina in 1971, the campus has come to occupy some 48 buildings on its 75-acre main campus as well as several new buildings on the new 180-acre west campus. The University has a master plan for an enrollment of 10,000 students with future expansions concentrated on some 330 acres of outlying land owned by the University.

The Summer Sessions

The summer instructional program is an integral part of the year round program at Appalachian State University. The university operates on a semester system during the spring and fall. The principal terms of summer are a five- and four-week term, plus two- and three-week terms which fall within the ten-week time frame.

Undergraduate and graduate students can choose from well-balanced, broadly-based curricular offerings during the summer sessions and may make progress toward degree programs in almost all areas of study.

The academic program of the summer session is supplemented by many cultural events, including musical events, local attractions and recreational opportunities in the surrounding areas.

Registration Information

Registration for the summer semester and first 5-week term:

Monday, May 27	Gymnasium
10:00-11:00 a.m.	Graduate Students & Seniors
11:00-12:00 noon	Juniors
12:00- 1:00 p.m.	Sophomores
1:00- 2:00 p.m.	Freshmen
2:00- 4:00 p.m.	Special, visiting & late arrivals

Registration for 4-week term:

Monday, June 10	Gymnasium
10:00-11:00 a.m.	Graduate students & Seniors
11:00-12:00 noon	Juniors
12:00- 1:00 p.m.	Sophomores
1:00- 2:00 p.m.	Freshmen, special, visiting & late arrivals

Registration for second 5-week term:

Monday, July 8	Gymnasium
10:00-11:00 a.m.	Graduate students & Seniors
11:00-12:00 noon	Juniors
12:00- 1:00 p.m.	Sophomores
1:00- 2:00 p.m.	Freshmen
2:00- 4:00 p.m.	Special, visiting & late arrivals

NOTE: If registering for a course which begins on a date other than May 27, June 10, or July 8, a student should meet the first class at which time registration instruction will be given.

CALENDAR OF IMPORTANT DATES

SUMMER SEMESTER (May 27-August 9, 1985)

Registration in the Gymnasium, 10:00 AM-4:00 PM., Monday:	May 27
Classes begin, "drop-add" begins in the Registrar's Office, Tuesday:	May 28
Registration closes, classes must be met, deadline for adding a course or choosing pass/fail option. Wednesday:	May 29
Deadline for dropping a Summer Semester course, Friday:	June 14
Final examinations for Summer Semester, Friday:	August 9

FIRST 5-WEEK TERM (May 27 - June 28)

Registration in the Gymnasium, 10:00 AM-4:00 PM., Monday:	May 27
Classes begin, "drop-add" begins in Registrar's Office, Tuesday:	May 28
Registration closes, classes must be met, deadline for adding a course or choosing pass/fail option, Wednesday:	May 29
Deadline for dropping a first 5-week term course, Wednesday:	June 5
Final examinations for the first 5-week term. Friday:	June 28

4-WEEK TERM (June 10-July 5)

Registration in the Gymnasium 10:00 AM-2:00 PM, Monday:	June 10
Classes begin "drop-add" begins in Registrar's Office, Tuesday:	June 11
Registration closes, classes must be met, deadline for adding a course or choosing pass/fail option, Wednesday:	June 12
Deadline for dropping a 4-week course, Wednesday:	June 19
Final examinations for the 4-week term, Friday:	July 5

PRE-REGISTRATION FOR THE SECOND HALF OF SUMMER SCHOOL – TERMS BEGINNING JULY 8 (Open to all students enrolled during the first half of summer school)

Graduate Students, Monday	June 17
Seniors (Last name beginning A-F), Monday	June 17
Seniors (Last name beginning G-O), Tuesday	June 18
Seniors (Last name beginning P-Z), Wednesday	June 19
Juniors, Thursday	June 20
Sophomores, Freshmen, Visiting & Special, Friday	June 21

(Pre-registration times for the preceding dates are between 9:00 AM and 4:00 PM)

Tentative schedules and billing statements are placed in ASU Post Office boxes, Monday June 24

SECOND 5-WEEK TERM (July 8-August 9)

Registration in the Gymnasium, 10:00 AM-4:00 PM., Monday:	July 8
Classes begin, "drop-add" begins in Registrar's Office, Tuesday:	July 9
Registration closes, classes must be met, deadline for adding a course or choosing pass/fail option, Wednesday:	July 10
Deadline for dropping a second 5-week course, Wednesday:	July 17
Final examinations for the second 5-week term, Friday:	August 9

REGISTRATION FOR 3- AND 2-WEEK TERMS

(Registration for these terms will be in the Registrar's Office on the first day of the respective term.)

1st 3-week term:	June 17-July 5
1st 2-week term:	June 24-July 5
2nd 3-week term	July 8-July 26
2nd 2-week term	July 8-July 19

Academic Information

Academic Load

An undergraduate student may take a maximum of 12 semester hours during the summer semester, and a maximum of 6 semester hours during a 4 or 5-week term. No more than one short-term course may be taken during a single period. ANY STUDENT WHO REGISTERS FOR AN OVERLOAD WITHOUT PERMISSION OF HIS/HER DEAN WILL BE REQUIRED TO DROP THE EXCESS HOURS WITHOUT CREDIT. NO REFUND OF TUITION OR FEES WILL BE MADE WHEN A PERSON IS REQUIRED TO DROP EXCESS HOURS TAKEN WITHOUT PERMISSION AFTER THE CLOSE OF REGISTRATION FOR THE TERM IN QUESTION.

5000 Level Course for Undergraduate

Only undergraduates with senior standing and cumulative GPA of 3.0+ are permitted to enroll for classes numbered 5000 or above. Seniors who wish to enroll in courses at this level must receive permission from the course instructor, departmental chairperson, and the Dean of the Graduate School.

The maximum load for a graduate student during a 4- or 5-week term is 6 semester hours. Any exception in excess of this limit should be approved by the Dean of the Graduate School. No more than one short-term course may be taken during a single period. ANY STUDENT WHO REGISTERS FOR AN OVERLOAD WITHOUT PERMISSION WILL BE REQUIRED TO DROP THE EXCESS HOURS. NO REFUND OF TUITION OR FEES WILL BE MADE WHEN A PERSON IS REQUIRED TO DROP EXCESS HOURS TAKEN WITHOUT PERMISSION AFTER THE CLOSE OF REGISTRATION FOR THE TERM IN QUESTION.

Course Changes

To add a course, a student must process a drop-add form at the Registrar's Office. After the close of registration, a student may not add a course.

To drop a course, a student must process a drop add form at the Registrar's Office.

Check the Calendar of Important Dates elsewhere in this bulletin for cut off dates on late registration and drop-adds.

Policy On Course Cancellations And Changes

The University reserves the right to make modifications to the Summer School class schedule as presented in this publication or to cancel courses if enrollment does not justify offering such courses. Changes and additions to this schedule will be published in an addendum and made available on registration days.

Day Students

Regular day students pay all regular expenses except subsistence fees.

Auditing

All persons who audit a class pay regular registration and tuition fees. A class audited shall count as part of the student's load. Auditors do not take tests, examinations, or receive grades or credit.

Pass-Fail

The **Pass-Fail** option may be taken by a full-time undergraduate student who 1) has attained at least sophomore status (defined as having earned at least twenty-eight hours), and 2) has a minimum GPA of 1.75. During the summer only one course can be taken on Pass-Fail. To place a course on Pass-Fail, contact the Registrar's Office during the registration period.

Graduating Students

Undergraduate students who intend to graduate at the end of summer, 1985 must file an application for graduation (and an application for teacher certification, if applicable) at the **Registrar's Office by no later than Wednesday, July 10.**

Graduate students who intend to graduate at the end of summer, 1985 must file an application for graduation with the **Graduate School by no later than Wednesday, July 10.**

Admission to Summer School

Applying for Summer Sessions

Appalachian has an open door policy for undergraduates regarding summer attendance. The only undergraduates who would not be accepted are those who have been dismissed from the university for medical or disciplinary reasons. Such persons must contact the Vice Chancellor for Student Affairs for clearance to attend summer school. The open door policy does not apply to graduate students. Graduate students are subject to the same eligibility restrictions in the summer as they are in the academic year.

All persons not currently enrolled at Appalachian must complete a Summer Sessions application and submit it to the Office of Summer Sessions. This form is inserted in the back of this bulletin. Students enrolled during the current spring term apply for summer by contacting the Registrar's Office (704) 262-2050.

Persons wishing to enter the University for the first time to begin work on an undergraduate degree, and persons transferring to Appalachian from another institution must be accepted by the Admissions Office.

Graduate students wishing to earn credit toward any graduate degree should file a graduate application to Graduate School (if not previously accepted). Graduate applications are available from the Dean of Graduate School.

Any person who has not attended Appalachian before must forward a \$15.00 **non-refundable** fee with the summer application.

Residence Status

University policy on residence status is stated in the General Catalog. Any student or prospective student in doubt concerning his or her residence status is directed to consult that publication or to contact the Registrar's Office.

Visiting Students

A person enrolled at another post-secondary institution who wishes to attend Appalachian to earn credit to be transferred to his/her home school must submit a letter from that institution stating that the credit earned at Appalachian will be accepted for transfer.

Academic Policies

The Summer Sessions at Appalachian are operated under the same academic policies that govern the regular academic year. Students are responsible for policies and procedures as set forth in the General Catalog. This publication is available, and should be used for reference.

Summer Expenses

Fees are charged by the term and are due and payable at the time of registration. The university reserves the right to change, add, and delete fees.

Before taking final examinations at the close of the term, a student is expected to settle all accounts. A student may not register for a new term until all charges have been paid or arranged for. A student cannot receive a degree, certificate, or transcript of credit until all accounts except current loans have been paid.

Tuition and Fees

In the summer, tuition and fees are charged on a per semester hour basis. These charges are based on course level for undergraduate and graduate courses. Courses numbered (0000-4999) are charged at the undergraduate rates, courses numbered (5000 and above) are charged at the graduate rate. There is both an in-state and out-of-state rate as follows:

Cr. Hrs. Enrolled	In-state Undergraduate	In-state Graduate	Out-of-state Undergraduate	Out-of-state Graduate
1	44.50	51.50	94.50	101.50
2	89.00	103.00	189.00	203.00
3	133.50	154.50	283.50	304.50
4	178.00	206.00	378.00	406.00
5	222.50	257.50	472.50	507.50
6	267.00	309.00	567.00	609.00
7	311.50	360.50	661.50	710.50
8	356.00	412.00	756.00	812.00
9	400.50	463.50	850.50	913.50
10	445.00	515.00	945.00	1,015.00
11	489.50	566.50	1,039.50	1,116.50
12	534.00	618.00	1,134.00	1,218.00

University Policy on Refund of Tuition and Subsistence Fees

Term	Withdraw Date	Amount of Refund
First 5-week term	May 27 - 29	60%
	May 30 - 31	40%
	June 3 - 4	20%
4-week term	June 10 - 12	60%
	June 13 - 14	40%
	June 17 - 18	20%
Second 5-week term	July 8 - 10	60%
	July 11 - 12	40%
	July 15 - 16	20%
Summer Semester	May 27 - 29	60%
	May 30 - June 5	40%
	June 6 - 13	20%

1, 2, and 3-week terms: 60% if dropped by the end of registration day.

Reduction of Class Load

A tuition refund of sixty percent (60%) will be made upon application if a student reduces his or her class load **prior to the close of registration** for the term in which the dropped class is offered.

Subsistence

A subsistence fee will be charged all residence hall occupants attending terms of 4-weeks or longer. This fee includes housing with telephone and minimum board. Additional meal credits may be purchased at any time. Prorated subsistence will be charged for late room assignments.

	Semi-Private Room	Private Room
10-Week Term	*\$480.00	*\$620.00
5-Week Term	**\$240.00	**\$310.00
4-Week Term	***\$192.00	***\$248.00

* Includes \$200.00 required board

** Includes \$100.00 required board

***Includes \$ 80.00 required board

Short-Term Residence Hall Occupancy

	Semi-Private Room	Private Room
3-Week Term	\$84.00	\$126.00
2-Week Term	\$56.00	\$ 84.00
1-Week Term	\$28.00	\$ 42.00

Meals are bought a la carte. Reservations made in advance by paying for full housing charge. Cost does not include linens. Linen packages will be available. Bed linens \$3.00/package. Bath linens \$1.00/package. In-room phone services is **not** provided for short terms (3-weeks or less).

SPECIAL HOUSING—Friday Night Housing

Each Friday - Cost \$8.00 (semi private) per night; \$10.00 (private) per night

Must request special housing form; must be pre-registered. Cost includes bed and bath linen bundle; no phone.

Special Fees and Service Charges

Late Payment of Tuition and Fees

(A student who does not complete registration on the announced registration date)

\$20.00

Special Examination \$20.00

Internship Fee— For all internships and practica excluding those in the College of Business there is a \$3.00 per semester hour fee. This amount in addition to normal summer school tuition rates is due and payable on the day which the student registers. (Students in the College of Business should see the internship coordinator for specific instructions regarding internship fees.)

Applied Music Fee— \$18.00 per semester hour. This fee is due and payable on registration day in addition to regular summer school tuition.

Computer Users Service Charge— A charge of \$25.00 per term is levied on all ASU students who have a computer users identification number. Students will be notified at the first class meetings as to whether use of the computer will be required for the class.

Housing

The University provides housing accommodations to those undergraduate and graduate students who have officially enrolled in summer classes or special programs on campus.

Residence halls are an important part of campus life, offering a variety of experiences that can contribute to intellectual, personal, and social development. Group living can enable a student to develop individuality as well as responsibility to and respect for others.

The residence halls are staffed by professional personnel and student employees who are responsible for the welfare of students living on campus and for the upkeep of the buildings. Through attendance at a variety of conferences and workshops, the staff keeps abreast of new ideas for providing a supportive educational and living environment.

How to Reserve a Room

ADVANCE APPLICATION IS STRONGLY ENCOURAGED. (Students enrolled in course work at ASU for spring semester, 1985 will have an opportunity to apply for housing at the same time of pre-registration). Students who would like to reserve a space need to complete and return the enclosed housing application (see following page).

When completing your application, indicate term(s) in which you plan to enroll. Students who wish to be roommates should make their room reservations at the same time and indicate their roommate's name on the housing application. To insure pairing, these applications need to be mailed or delivered to the Residence Life Office together. Housing reserves the right to make reassignments if they are considered necessary. There is not a room change period during the summer session.

Housing for summer can be guaranteed, provided advance application occurs. Assignments will be mailed approximately 10 days preceeding the term. To avoid being responsible for the housing and meal charges, you will need to contact the Residence Life Office by Wednesday of the week preceeding the term in which you plan to enroll, if you plan to decline your assignment. Otherwise, your housing and meal plan charge will be billed to your student account.

INSTRUCTIONS FOR COMPLETING ROOM APPLICATION:

Carefully complete all information on the reverse side for each section except area indicated for "Office Use Only"

STUDENTS WHO WISH TO BE ROOMMATES SHOULD MAKE THEIR ROOM RESERVATIONS AT THE SAME TIME AND INDICATE THEIR ROOMMATE'S NAME ON THE HOUSING CARD.

If you are attending a 1, 2, or 3 week workshop:

Complete Section B and include a check or money order as full prepayment for your housing accommodations. This is necessary to guarantee your assignment. The advance prepayment will be refunded in full if the Office of Residence Life is notified in writing by the applicant at least two weeks prior to the workshop you planned to attend. A pro-rated refund (detailed on the attached information sheet) will be made if knowledge of your cancellation is known prior to 5:00 p.m. on the Friday before your workshop begins.

CHECK-IN TIME for all summer school participants will be after 1:00 p.m. on the day prior to the day your term begins.

CHECK-OUT TIME for all summer school participants will be no later than 5:00 p.m. on the Friday your term ends.

ALL ROOM ASSIGNMENTS MUST BE OCCUPIED BY 6:00 P.M. ON MONDAY OF THE WEEK YOUR TERM BEGINS OR YOU WILL BE DECLARED A NO-SHOW.

Mail completed application and, if enrolling in workshop, advance payment, for housing in form of check or money order to:

Office of Residence Life
Appalachian State University
Boone, North Carolina 28608

Rooms will be assigned in the order in which applications are received. Private rooms will be assigned, if requested and available. Assignments will not be held after the "no-show" time unless the Office of Residence Life is notified that the student will be arriving late.

The University reserves the right to:

- cancel or change the assignment in the interest of order, health, sanitation or other urgent reasons.
- charge and collect charges for damages to or for unauthorized use or alternation of rooms, equipment, or building, and for special cleaning necessitated by improper use of room and equipment.

Check In/Out Times, Hall Closings

Students may move into the residence halls as early as 1 p.m. on the day before registration for the term in which you plan to enroll.

Check in hours are from:

1:00 - 5:00 p.m. and 7:00 - 9:00 p.m. on the Sunday prior to registration.

10:00 - noon and 4:00 - 6:00 p.m. on the day of registration (Monday).

To insure that staff members will be available to conduct an official check-in and to receive a room key, please arrange your arrivals during these times. Unless the Residence Life Office has been notified of your late arrival, room reservations expire at 6 p.m. on registration day.

Check out hours:

All residents completing course work for a term or workshop should plan an official check out prior to 6:00 p.m. on the Friday of the week in which the term ends.

Since the summer school calendar provides a 10-day interium between the two 5-week terms, **the halls used for the first 5-week term assignment will be closed from 6:00 p.m., 28 June until 1:00 p.m. 7 July**. All students enrolled for the first 5-week term who **pre-register** for the second 5 week term may store their belongings in the room over this break. Students completing the first 5-week term and not pre-registering for the second term must officially check-out prior to 6:00 p.m., Friday, 28 June.

Residence Halls used to house students (graduate) who will be enrolled in the 4-week term and/or the second 5-week term will remain open. Temporary housing arrangements for those students remaining between the 5-week terms will be provided at the rate of \$42.00 for private and \$28.00 for double occupancy.

Workshops

Individuals who desire on campus housing while attending a workshop need to complete the attached application and submit it **with full payment for housing**. Only people participating in workshops will be permitted to stay in the residence halls. Single and double room accommodations are available. Bed and bath linen packages will be available at a rate of \$3.00 and \$1.00 respectively.

Visitation hours have been established. All other policies, procedures and guidelines outlined in this booklet apply to workshop participants. (See Rules and Regulations).

Accommodations for participants with spouses and/or families are available in specialized halls, having self-contained apartments. Contact the Office of Residence Life for more details.

Rooms and Furnishings

Each room in the residence halls is furnished with single beds, study desks, chairs, dressers, and closets. Students provide their own pillows, bed linens, blankets, towels, lamps, and wastebaskets. They may also bring radios, stereos, and television sets. TV cable service is available for each room.

All rooms are equipped to accommodate two students. There are no single rooms, but students may arrange for private occupancy for an additional fee, if space is available.

Special Facilities. For the convenience of students who would like to prepare snacks, the residence halls are equipped with small kitchenettes where cooking is permitted. Cooking is not allowed in residence hall rooms. Other facilities include vending machines and coin-operated washers and dryers.

Rules and Regulations

For obvious health and safety reasons and because of legal statutes, the university is unable to allow certain items in the residence hall rooms. These items include body building equipment, cooking appliances and cooking, fireworks, outside aerials or antennas, radio transmitters, air conditioners, firearms, gas and air pistols and rifles, ammunition, explosives, water beds, and art and

archery equipment. To insure the welfare of residents, certain harmful activities are also not permitted, such as fighting, wrestling, gambling, vandalism, or littering in or around the buildings. In addition, students who are involved in the damage or loss of residence hall property will be required to pay for the cost of repair or replacement, or to share in such costs if more than one student is responsible for the damage or loss. The university extends to students the privilege of visiting with members of the opposite sex in residence hall rooms. Maximum guidelines for guest visitation are 12 noon each day until one-half hour before closing each day. All resident students and their guests are expected to follow the rules and regulations of the university as well as state and federal laws.

Off Campus Housing

Students who plan to live off campus make their own living arrangement. It is a good idea to visit the community and inspect the facilities before making any housing agreement. Students are advised to obtain written contracts outlining their own responsibilities as well as those of their landlord. The Office of Residence Life maintains a notebook of available apartments in the community. Individuals are welcome to review these notebooks during normal office hours. (8 to 5, Monday thru Friday).

Mountaineer Apartments

Applications are available after February 1, 1985 for individuals desiring accommodations at the university owned apartment complex. Priority is given to full-time degree seeking students. A limited number of apartments are available each summer, and preferably are leased on a long term basis. Please request this application from: Office of Residence Life, ASU, Boone, NC 28608.

Student Services and Facilities

Health Services

Medical services are provided to the students by the University Medical Center. A registered nurse is on duty 24 hours each day and physicians are present from 8:00 a.m. to 4:00 p.m. Monday through Friday when school is in session. Only students actually registered for and taking courses are eligible for Medical Center services. In addition, students must present a current validated I.D. card before each visit for treatment.

Persons needing the services of a physician outside the regular out-patient hours may be referred by Health Services staff to the Watauga County Hospital Emergency Room. In such cases they will be expected to assume responsibility for the cost thus engendered.

There is no charge for most of the services provided in the Center. Employment physicals may be administered for a small fee. Group hospital insurance information may be obtained through the medical center.

Counseling and Psychological Services

The services provided by the ASU Counseling and Psychological Services Center are available to all currently enrolled university students at no charge. All contacts at the Center are confidential.

Student I.D. Cards

Students who wish to obtain an I.D. card may do so by presenting a validated receipt at the I.D. Center located in Welborn Hall (cafeteria). Hours of operation are between 9:00 a.m. and 4:00 p.m. There is a \$5.00 charge for a new I.D.

Returning students should follow the same procedure to have I.D. card validated. There is no charge for this service.

Automobile Regulations

Students bringing automobiles to ASU during the summer must register their vehicles with the Campus Security Department. A fee is charged for this registration. Vehicles registered for the 1984-85 academic year do not need to be registered for the summer.

The Security Department will be available to register vehicles during the registration process the first day of each term. Students will receive a copy of the University's traffic regulations and parking information at this time.

University Bookstore

Located next to Plemmons Student Union, the University Bookstore offers a wide variety of merchandise and services. The general departments of textbooks, paperbacks, merchandise and sporting goods are on separate levels of the store. A full service bank is in the lobby area. Cap and gown purchase and rental are available through the Bookstore. In addition, the store is responsible for all vending on campus. All textbooks are purchased in the summer.

Food Services

All residence hall students registered for 4-weeks or longer are required to participate in the food plan. Requirement will be prorated for late room assignments. The fee which is collected at the registration center, represents the minimum food service requirement. The food plan may be increased during the term at the Food Service Director's office during regular office hours.

On the day of registration, meal cards may be obtained in the East Wing of the University Cafeteria between 8:00 a.m. and 5:00 p.m. by presenting a validated receipt.

The University Cafeteria located in Welborn Hall serves three meals a day the entire summer session. The Sweet Shop, located in Plemmons Student Union, also accepts meal cards. Hours of operation are posted at entrances.

Office of Career Planning and Placement

ASU operates a comprehensive career planning and placement program for students and alumni. The office provides career counseling, career information, assistance with resume writing, interviewing skills and job search techniques, on-campus recruitment, employer information and a credentials program. In addition, the office provides a job location and development service for students who are seeking part-time employment while attending ASU.

Postal and Banking Service

A United States Post Office Contract Station is maintained by Appalachian in the Student Support Building. A mailbox is provided for every student. The student's university mailbox address is used by the university for communicating with each student. For this reasons, students are responsible for checking their university mailboxes frequently.

Convenient banking services are located in the lobby of the University Bookstore.

ASU Child Care Center

ASU Child Care Center offers quality child care to ASU students, faculty, and staff. Children, ages 3 months to 5 years, are accepted on a regular, part-time basis. The Center operates according to the University class schedule and is usually open from 7:45 until 5:15. Contact the ASU Child Care Center for further information at 704/262-2116 or 200 Appalachian St., Boone, NC.

Financial Aid

Summer School students may be considered for financial assistance if they meet the requirements of the Student Financial Aid Office pertaining to continuing students. Further information eligibility and an application may be obtained from the Student Financial Aid Office. The financial aid program is designed to meet the needs of students who would otherwise be unable to attend Appalachian State University.

Types of Aid

Two principal types of aid are available during the summer: (1) Loans, usually long-term and low interest, to be repaid after the student leaves college; (2) Employment, often in work related to the student's field of study. Award packages frequently are made, with the total amount dependent upon the individual needs and financial situation of the student and his family. Funds for aid are derived from a variety of sources. Application forms are available from the Student Financial Aid Office and must be submitted by March 15. A minimum of three months should be allowed for processing Guaranteed Student Loan Applications. It is possible for a "**Summer Only**" student to receive a Guaranteed Student Loan.

Learning Resources at Appalachian

The Learning Resources program at Appalachian is comprised of three major units of academic support. They are as follows: The University Library, the AudioVisual Service Center, and the Center for Instructional Development.

At the center of the campus and of academic life at Appalachian is the Carol Grotnes Belk Library, which houses on open stacks nearly 450,000 volumes, some 110,000 government documents, and over 350,000 units of microform. Approximately 4500 periodical subscriptions are received, including the major titles in the subject fields. The library maintains subscriptions to more than 63 local, national, and foreign newspapers. Attractive areas for general reading are provided on all three levels of the library as well as study areas, lecture rooms, and a smoking lounge on various levels. A 24-hour study room is available most of the time.

Among the special collections are the Music Library, located in the Broyhill Music Center and the W.L. Eury Appalachian Regional Collection, containing materials (books, tapes, pictures, artifacts) primarily concerned with the Appalachian region and housed on the second floor Dougherty Library.

The Library is open approximately 95 hours per week. The hours are posted at the Library entrance. A currently valid identification card is required for all check-out or production services provided in Learning Resources.

Although the AudioVisual Services Center is a separate organizational member of Learning Resources, it is located on the ground floor of Belk Library. The standard recording and projection equipment can be checked out by persons holding a currently valid university identification card. Also, production of visual and audio materials for educational use, advice on the selection and the use of equipment, and consultation on materials design may be obtained in the AudioVisual Services Center.

Hours and Telephone Numbers

Admissions	8:00 a.m. - 5 p.m. (Mon. - Fri.)	262-2120
Cashiers	8:00 a.m. - 4:00 p.m. (Mon. - Fri.)	262-2110
Summer School	8:00 a.m. - 5:00 p.m. (Mon. - Fri.)	262-3154
Counseling Services	8:00 a.m. - 5:00 p.m. (Mon. - Fri.)	262-3180
Financial Aid	8:00 a.m. - 5:00 p.m. (Mon. - Fri.)	262-2190
Registrar	8:00 a.m. - 5:00 p.m. (Mon. - Fri.)	262-2050
Security	Twenty four hour service	262-2150
Infirmery	Twenty four hour service	262-3100
Library	Variable, see schedule as posted	262-2186
Food Services	Variable, see schedule as posted	262-3160
Residence Life (housing)	8:00 a.m. - 5:00 p.m. (Mon. - Fri.)	262-2160

Special Programs

Department of Anthropology

ANT 4445 & 4446 - Archaeological Field School

The 1985 summer field school will investigate a small Woodland period site near campus and concentrate on the laboratory analysis of material recovered from the site during previous land leveling activities. Students will learn excavation techniques, mapping with transient, cataloguing, artifact cleaning and analysis of ceramics and stone.

Cost of the program is \$260 plus housing arrangements. The program can accommodate up to 25 participants.

For further information contact:

Dr. Cheryl Claassen
Department of Anthropology
Appalachian State University
Boone, NC 28608
(704) 262-2295

Department of Counselor Education and Research

These special courses will be offered in varying time formats as listed. Persons may obtain additional information about each course/workshop from the departmental office. To ensure space in the course and to receive any additional information/changes, you are urged to reserve space by notifying the departmental office in writing.

For further information contact:

Dr. Fred Badders, Chairperson
Department of Counselor Education & Research
Appalachian State University

May 28 - June 7, 1985

CR 3537-101 & CR 5537-101. Developing Mind Potential

2 semester hours; 8:30 - 11:30 a.m., MTWTF. Dr. George Maycock.

It has been said that most of us use only five to ten percent of our true mind capacity. This course will assist each person in discovering how to use more of the potential of his/her own mind. This course will include the study and use of easy and enjoyable special mental training exercises (based on the Silva Mental Training Method) designed to enable the student to function at the Alpha level of consciousness—a level of mind/brain activity associated with inner levels of mental activity, tranquility, inspiration, creativity, concentration, E.S.P., improved functioning in health matters, and learning and recall capabilities. Upon completion of the course, the student will: (1) understand how to use more of the potential of his/her own mind through functioning at the Alpha level of consciousness; (2) improve functioning of memory, learning, visualization, creativity, intuition, and subjective communication; and (3) accomplish at least one major self-improvement goal through the use of Alpha functioning techniques.

CR 5548-101. Body Therapy. 2 semester hours; 1:30 - 4:30 p.m., MTWTF. Dr. Sally Atkins and Marianne Adams.

Body Therapy is a graduate course for students in the helping professions. The focus is on an overview of the wide array of psychotherapeutic technique involving body work. Particular emphases are placed upon body awareness techniques (e.g. sensory awareness, Feldenkrais, movement and dance therapies), therapeutic touching, and eastern body/mind techniques. Didactic and experiential methods are employed.

June 17 - June 26, 1985

CR 5546-101. Creating Computer Instruction Using Superpilot. 1 semester hour; 6:00 - 8:30 p.m., MTW. Dr. Leonard Bliss.

Students will learn to use the powerful computer assisted instruction authoring language *Superpilot* to develop actual packages of CAI for use in their classrooms and schools. The course will offer a brief introduction to the concept of programmed instruction and then permit the student to go on to hands-on development of programs. The final product of the course will be a piece of usable computer assisted instruction in a subject of the student's choosing. *Superpilot* is available for use in most microcomputers used in elementary and secondary schools including the APPLE II series, the COMMODORE 64, and the TRS-80 series.

June 17-July 3, 1985

CR 6545-101. Depressive, Phobic, and Eating Disorders. 3 semester hours; 8:30 - 11:30 a.m., MTWTF./Dr. Glenda Hubbard.

This course is designed for students and practitioners in such fields as counseling, social work, psychology, teaching, and other helping professions. It includes an examination of research and case studies in the areas of anorexia nervosa, bulimia, agoraphobia, and depression. Traditional "talk" therapies have not adequately addressed many of the disorders which have a physiological component. Students will have opportunities to learn about and evaluate the effectiveness of various approaches to solving these problems. Students will read case histories and research studies, study the relevant DSM-111 classifications, participate in role-playing activities, and have opportunities to hear guest speakers who have either been victims of one of the disorders or have worked professionally with the disorders.

July 8-20, 1985

CR 5544-101. Microcomputer Workshop for Counselors and Human Development Specialists. 2 semester hours; 1:30 -4:30 p.m., MTWTF. Dr. Fred Badders.

Counselors, administrators, teachers, and other practitioners from various human development fields will be introduced through "hands-on" experience to basic understanding of the development, types, parts, languages, programming, and applications of microcomputers. In addition to understanding some principles for choosing appropriate hardware, peripherals, and software, there will be opportunity for sharing practical information and reviewing representative software which counselors, student development specialists, and related practitioners may use in public schools, colleges, and community agencies. A goal will be the preparation by each participant of a preliminary plan for his/her own effective use of microcomputers in his/her work setting. The first week's focus will assume that the participant has little or no understanding or experience with microcomputers and, thus, will introduce their use and BASIC programming. The second week will broaden that understanding and provide opportunity for sharing and reviewing information/software.

July 8-31, 1985

CR 3542-101 & CR 5542-101. Basic Dream Interpretation. 3 semester hours; 6:00 - 9:20 p.m., MTW. Dr. Harry G. Padgett.

A review of Carl G. Jung's life and the development of analytical psychology. This examination will lead into the study of the psyche and various structures: ego, persona, animus/anima, wise old man/old woman, and self. Psychological types, levels of awareness, and archetypes, and the roles they play in dreams will be reviewed. The second part will deal mainly with dream structure, dream content, and dream motifs and how they relate to the dreamer's individuation process.

July 13 & 20, 1985

CR 5540-101. Introduction to Employee Assistance Programming. 1 semester hour; 9:00 a.m. - 4:45 p.m. SAT. Dr. Al Greene.

An overview of employee assistance programming in a variety of settings; Design, implementation, evaluation and other practical aspects of this helping model based in the work place will be stressed. The information and skills stressed in the course will be useful to a wide range of helping personnel, including both private practitioners and agency staff, as well as to personnel officers and others from the business community.

Other special courses offered in special time frames include:

- CR 4570 The Addictive Process (July 8 - August 9)
- CR 4790 Group Methods and Processes (June 17 - July 3)
- CR 4840 Human Relations and Interaction (May 28 - June 14)
- CR 5270 Theories of Marriage and Family Counseling (June 10 - July 5)
- CR 5570 Counseling the Addicted Person (July 8 - August 9)
- CR 5750 Legal and Ethical Issues in Counseling and Student Development (July 8 - August 9)

Department of Economics (Center for the Study of Private Enterprise)

EE 5530 (Institute for Economic Education I) - June 17-21, 1985

&

EE 5531 (Institute for Economic Education II) - June 24-28, 1985

The Institutes for Economic Education are designed to enhance the instructional effectiveness of secondary and primary teachers

in the area of economics by improving their understanding of fundamental economic concepts. Professional economists from the ASU Economics Department provide the instruction which includes lectures, discussion periods, presentation of resource materials and development of classroom plans and presentations. Participants will receive one (1) hour of graduate credit or three (3) hours of renewal credit for each week attended. Participants can elect to attend either or both weeks.

Department of Elementary Education

EE 5530 - Middle School Curriculum and Instruction

July 22 - August 2, 1985

This workshop will examine innovative practices and ideas for implementing change in the middle grades as well as alternatives in curriculum and curricular trends in instructional methods and materials. Areas which will receive emphasis include: the middle school concept; the middle school movement; planning exemplary programs; middle level curriculum; teacher-based guidance; team/cooperative teaching; scheduling and student grouping; instruction; staff development; evaluation; changing to the middle school concept; and administration of the middle level school.

Dr. Ken McEwin, Professor and Chairperson of Elementary Education, will be the instructor. Dr. McEwin is a nationally recognized authority on middle level education and is past-president of the National Middle School Association. Dr. William M. Alexander, Professor Emeritus at the University of Florida, Gainesville, Florida, will serve as senior consultant for the workshop. Dr. Alexander has served as consultant and speaker for numerous school systems and professional associations and school-related agencies. He is author of over 200 books, monographs, and journal articles. Outstanding North Carolina educators will also be featured in the workshop.

Weekend Workshops

Department of Speech Pathology and Audiology

June 15 & 16

Language Assessment Strategies (SPA 5530 - 1 hr. credit)

This workshop will review current assessment strategies for language impairment in school-aged children at three levels of evaluation: screening, diagnosis, and prescription. Participants will observe the use of each assessment strategy through videotapes and will engage in some administration, scoring, and interpretation of specific strategies. An introduction to language sampling will be included.

June 22 & 23

Use of Amplification for Speech Pathologists (SPA 5531 - 1 hr. credit)

Amplification principles and procedures. Emphasis on auditory training and hearing aids for mild to moderate hearing losses.

July 6 & 7

Introduction to Microcomputer (SPA 5532 - 1 hr. credit)

Intensive "hands-on" course for persons with no background in personal computers. Emphasis will be on learning to use microcomputers, peripherals, and software. An introduction to programming concepts and actual program construction (BASIC) will be covered.

July 13 & 14

Assessing and Treating Stuttering (SPA 5533 - 1 hr. credit)

This workshop will deal with specifics of (1) diagnosing and interpreting stuttering severity, (2) establish caseload and (3) selecting appropriate therapy programs and (4) implementing therapy. There will be a series of six televised 45-minute programs demonstrating all aspects of stuttering evaluation and therapy.

July 27 & 28

Managing Vocal Nodules (SPA 5534 - 1 hr. credit)

Since vocal abuse accounts for the bulk of voice disordered cases, this workshop will deal with predisposing, precipitating and perpetuating elements of vocal nodules. Diagnostic procedures (including indirect laryngoscopy) will be presented and therapeutic programs and goals established. Since successful intervention relies heavily on parent cooperation, training and counseling techniques will be discussed.

August 3 & 4

Audiologic Interpretation (SPA 5535 - 1 hr. credit)

Audiogram interpretation. Understanding audiological test results as applied to real life problems in the classroom and home environment.

Special Summer Travel Programs

Biography of the Galapagos Islands, the Amazon Rain Forest and the Andes Mountains

Sponsor: Department of Biology

Date: July 11 - August 8, 1985

Credit Hours: 6 (graduate or undergraduate)

No. of participants: 15

Identification of major plants and animals and their distribution based on the geology and geography of the three study areas; land use, environmental problems, and cultures of the human inhabitants. An evening seminar is required.

Business and Language Study in Europe, France, and Germany

Sponsors: College of Business and Department of Foreign Languages

Dates: Program in Cergy-Pontoise, France—May 31 - July 6, 1985

Program in Wurzburg, Germany—June 30 - July 28

Combined Program—May 31 - July 31

Advanced German Study session—August

Credit hours: 6-18 (undergraduate or graduate)

Cost: Cergy-Pontoise	\$1,250
Wurzburg	1,400
Combined	2,250
August language session	500*

*Does not include airfare

No. of participants: 40 in France and 40 in Germany (including students in the combined program and the August session.)

The program offers two consecutive study sessions in France and Germany and is designed for freshmen, sophomores, juniors, seniors and graduate students who want to attend summer school while experiencing life in a foreign country and observing foreign business and economic institutions at work.

The program will be hosted in France by the prestigious Ecole Superieure des Science Economiques et Commerciales (ESSEC) located near Paris in Cergy-Pontoise and in Germany by the historic Universitat Wurzburg in Bavaria. All classes will be taught by ASU faculty.

In both programs, a series of exciting excursions (Normandy, Brussels, Mediterranean Coast, Czechoslovakia, Munich) have been planned.

Summer Study Program in Japan (culture and business/management practices)

Sponsors: Departments of Management and Psychology

Dates: June 16 - July 20, 1985

Credit Hours: 3 to 6 (undergraduate or graduate)

No. of participants: 20

The main component of the program is the 1985 International Seminar on Japanese Business and Management to be conducted by the SANNO Institute of Business Administration in Tokyo. The goal is to provide college and university students the opportunity to gain first hand knowledge of Japanese business and culture. Leaders from government, business, and academia will lecture on Japanese management, labor relations, distribution, marketing, finance, and the international aspects of Japanese business. Lectures will also be given on Japanese history, values, society and economy. There will be field trips to famous international firms and culturally important Japanese cities.

Study Abroad in the British Isles

Sponsor: English Department

Date: May 20 - June 19, 1985

Credit Hours: 6

No. of participants: Minimum of 26

The study of British literature is so closely tied to a knowledge of British history, culture and geography; therefore, students enrolled in the program will gain a deeper understanding and appreciation of the literature through their exposure to the culture which produced that literature. All courses are taught by ASU professors and offer full academic credit for General College humanities requirements, major and minor degree requirements, and elective requirements.

Yugoslav Study Tour: The Prehistory and History of Yugoslavia and Present Day Political and Economic Planning and Decision Making in the Local Community

Sponsor: Anthropology

Dates: July 11 - August 8, 1985

Credit Hours: 6 (undergraduate)

Cost: \$1,910

No. of participants: 18

For centuries, Yugoslavia has been at the cross currents of history in S.E. Europe. Yugoslavia's myriad inhabitants have left a rich and varied culture landscape. This study tour will visit an early prehistoric agricultural site in Serbia, numerous Roman palaces and Medieval cities in Dalmatic, Bosnia, and Serbia. The students will make an anthropological inquiry into the social and economic changes and political and economic planning and decision making in a local community in Dalmatic, Yugoslavia. The study tour will visit Lake Bled, Ljubljana, Zadar, Split (during the summer music festival), Dubrovnik, Sarajevo, Visegrad, Skopje, and Belgrad, among other cities.

Newport Program

In order to provide our students with a unique educational experience the Department of History, in cooperation with Salve Regina: the Newport College, has developed a four-week summer term in Newport, Rhode Island, June 8 - July 6, 1985.

Program: The courses offered will include offerings in History, American Literature and Communication Arts/Drama. Students may enroll in these courses for undergraduate or graduate credit. The single fee (see below) includes tuition for six semester hours of credit. Any hour over six will cost \$40.00 per hour.

Location: Newport, at the southern tip of Narragansett Bay, was founded in 1636. During the 18th century the city thrived as a major colonial seaport and as the seat of government for Rhode Island and Providence Plantations. During the 19th century the city became a summer mecca for the newly rich of Gilded Age America. Today the palatial mansions and the gardens of that era are a major tourist attraction. Newport is ideally located to take advantage of the cultural and entertainment resources of the New England area. Providence and Boston are within easy driving distance and a number of field trips will be included in the program.

Transportation: Travel from Boone to Newport and return, and all field trips, will be in university vans. The cost of all transportation is included in the fee. The vans will leave Boone, Saturday, June 8, 7:00 a.m.; return to Boone, Sunday, July 7.

Housing: Students and faculty will be housed on the campus of Salve Regina. Many of the dormitories on campus were the summer “cottages” of Newport’s 400.

Fees: The total fee for the four-week program is \$980. This includes tuition for six semester hours of credit, room and board, recreation, transportation, field trips and all entrance fees at required field trips (such as Old Sturbridge Village, the Boston Museum, Plymouth Plantation, and the Whaling Museum at New Bedford), a book of tickets of Newport’s historic homes, and health services.

Information: For further information (including a slide show on last year’s program), contact G.P. Antone, Chairperson, Department of History, Appalachian State University, Boone, NC 28608. Phone: 704-262-2284.

Conferences and Institutes

The University encourages the use of its facilities during the summer months by groups that are interested in providing educational and/or recreational workshops, clinics, camps, retreats, conferences and seminars. The Office of Conferences and Institutes is responsible for the development, coordination, promotion and management of non-credit residential summer programs. Programs are offered to individuals from 8 to 80 years of age. Some typical opportunities are Elderhostel, sports camps for boys and girls, music camps, institutes and workshops, enrichment programs for gifted students, and cheerleading clinics.

Elderhostel	May 26-August 10, 1985
Upward Bound	June 5-July 21, 1985
Soccer Day Camp (tentative)	June 10-14, 1985
National Cheerleading Association	June 12-15, 1985
	June 30-July 3
Summer Science Camp	June 16-July 13, 1985
Nilo Toledo School of Fine Arts	June 16-23, 1985
N.C. Choral Arts Institute	June 16-21, 1985
American Guild of English Handbell Ringers	June 17-20, 1985
N.C. Pupl. Transportation Assoc.	June 8-18, 1985
Men’s Basketball Camp	June 23-28, 1985
Silver Burdette Workshop	June 23-28, 1985
Church of Latter Day Saints	June 26-29, 1985
High School Yearbook Workshop	June 26-29, 1985
Camelot Weight Control Camp	June 25-August 11, 1985
Drill and Pom Pon Camp	June 30-July 3, 1985
Math Science Summer Institute	July 7-August 10, 1985
Forensics Camp (tentative)	July 7-14, 1985
Wrestling Camp	July 7-12, 1985
	July 14-August 19, 1985
Freshmen & Transfer Orientation	July 9-August 3, 1985
Kellogg Institute	August 11, 1985
Baseball Camp	July 14-19, 1985
Women’s Basketball Camp	July 21-26, 1985
National Gymnastics Institute	July 22-26, 1985
Foreign Language (tentative)	July 28-August 10, 1985
Track Camp	July 28-August 2, 1985
Women’s Field Hockey	July 28-August 10, 1985
Cheerleader Spirit Conference	August 4-7, 1985
Football	July 10-13
Bridge Festival (adults)	June 30-July 13
